

The Sovereign Project

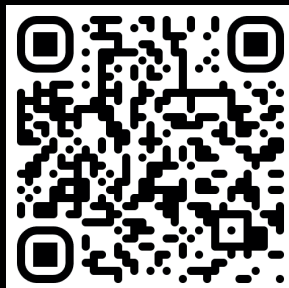

INDIVIDUAL POWER +
STRENGTH IN NUMBERS

Free yourself from Tyranny!

The Sovereign Project's goal is to empower you by helping you learn how the legal system works, how to spot the tricks and manipulation being used against you, but more importantly, by teaching you the right mindset and the legal solutions to protect yourself, your family and your assets. You will own stuff, and you will be happy...

Listen to Pete explain why he started the Sovereign Project.

First, you must ask yourself some key questions:

- Do I even know what my basic rights are?
 - Where does authority come from?
- Am I obligated to follow mandates or pay taxes?
- What are contracts and why are they so important?
- How do the courts operate and who gave them authority?
 - What is the importance of my signature?
 - How can I protect my family and assets?
- How can I break away from being a "slave" to the system?

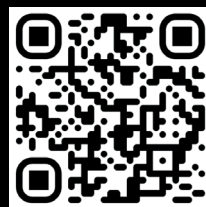

If you don't know the answer to any of these fundamental questions, don't worry! The Sovereign Project was set up to help you learn these key points in an easy way so that you don't need to spend a lifetime figuring it all out on your own.

You are not alone! We also have a fast growing network with tens of thousands of people across multiple platforms who are actively helping each other out and sharing their knowledge and solutions. It really is a grassroots initiative and it's bringing people back together. We hope you can join us on this journey!
